

StayWell Wellness Portal: Landing Page

To access the StayWell wellness portal and services at wellwisconsin.staywell.com, you must be an employee, retiree, or spouse/domestic partner enrolled in the State of Wisconsin or Wisconsin Public Employers Group Health Insurance Programs.

The screenshot shows the StayWell Wellness Portal landing page. The header features the 'STAYWELL' logo and a hamburger menu icon. Below the header, the main heading reads 'Well Wisconsin – Healthier Starts With You'. The page is divided into two main columns. The left column contains a 'New for 2017!' announcement about a \$150 incentive, a 'Health Screening Options' section with a stethoscope icon, and a 'Questions?' section with an information icon. The right column features a 'Welcome' message, a 'Create My Account Now' button, and a sign-in section with fields for 'User Name' and 'Password', each with a 'Forgot' link, and a 'Sign In' button. Five green callout boxes with white text and arrows point to specific elements: 'General program information and FAQs' points to the top left; 'First time users start here' points to the 'Create My Account Now' button; 'Registered users log-in' points to the 'User Name' field; 'Access the health care provider form' points to the 'Health Screening Options' section; and 'Contact the HelpLine' points to the 'Contact Us' button in the 'Questions?' section.

StayWell Wellness Portal: Health Screening and Incentive Options

Health Screening

Do you know your numbers?

Making the choice to get a health screening gives you a snapshot of your current health status. Your health screening will help you discover areas in your health that may need attention, keeping you energetic and feeling good for the things you have to be healthy for. Knowing important numbers like your blood pressure, glucose, cholesterol, and Body Mass Index (BMI) is one of the first steps in taking an active role in your health. **Your health screening results must be submitted by October 20, 2017.**

There are two options to complete your health screening:

On-Site Health Screening: We've partnered with Quest Diagnostics to provide onsite health screenings available at employer locations around the state, at no charge to you. You'll be in and out in 20 minutes. Your results will then be automatically uploaded to your StayWell health assessment in approximately 10 business days. Don't see a health screening for your location? Ask your employer about scheduling an onsite health screening.

[Register Now](#)

Health Care Provider Form: If you are unable to attend an onsite health screening, you can get your screening numbers from your doctor as part of a preventive exam. Download the health care provider form, and bring to your exam to have your health care provider complete. Ask your provider if you are due for updated blood work for cholesterol and/or glucose screenings. If you are not, your health care provider may report results from your most recent screening. At the time you schedule your screening appointment, confirm with your provider that the visit and screening will be billed as a no cost preventive service. Visits and screenings not considered preventive services may be subject to copayments, deductibles and/or coinsurance.
