Brown Bag: Composting for a Sustainable Workplace

April 5 @ 12:00 pm - 12:45pm
30 N. Mills Street - Lake Room (405)

Join the Green Office interns from the Office of Sustainability for a brown bag presentation and discussion about composting in the workplace.

Topics to be discussed include:

What is compost?

Why compost at work?

What does UW do with the compost?

What items can and cannot be composted?

When will 30 N. Mills start their compost program?

Add it to my calendar: <https://inside.fpm.wisc.edu/event/brown-bag-composting/>

Organized by the FP&M 30 N. Mills Wellness Committee
Supporting the overall well-being of FP&M employees
