Award Category Descriptions

Team Work Award: Recognize people who work together to achieve a common goal. Nominate people who:

- Maintain effective working relationships with coworkers, supervisors, or customers
- Encourage teamwork by recognizing and promoting employee strengths
- Recognize the strengths of all employees and encourage teamwork
- Collaborate and cooperate when solving problems
- Support UW-Madison values to achieve positive results together

Customer Service Award: Recognize a person who builds positive relationships and gives customers more than what they expect. Nominate a person who:

- Uses personal expertise and customer feedback to solve problems
- Handles customer concerns or customer requests quickly and effectively
- Has a respectful and friendly attitude with all customers
- Manages challenging customer service situations in a way that upholds UW-Madison values

Creative Solutions Award: Recognize a person who uses inventive solutions to improve ideas or processes. Nominate a person who:

- Embraces change as an opportunity for improvement and continuous learning
- Participates in collaborative problem-solving and comes up with practical solutions
- Ensures a safe and healthy campus and work environment by following established procedures and protocols for their job functions at all times
- Independently finds and uses sustainable, effective, and efficient resources

Unsung Individual Award: Recognize a person who has made significant everyday contributions to their workplace and UW-Madison. Nominate a person who:

- Demonstrates integrity by being trustworthy, respectful, and accountable
- Consistently works towards team success
- Performs work accurately and follows professional standards
- Promotes high standards for honesty, responsibility, and perseverance
- Shares job-related knowledge and available resources with others
- Follows through on commitments

Going Above and Beyond Award: Recognize a person for contributions beyond their job description. Nominate a person who:

- Acts in a way that positively influences the entire group or energy
- Does more than the job description requires (i.e., volunteering)
- Takes initiative to respond to difficult or unexpected events
- Exceeds goals and expectations
- Promotes employee morale and integrity in the workplace
