

David Oliver

University of Wisconsin – Madison Associate Vice Chancellor of Facilities Planning and Management

Letter of Interest and Qualifications:

Thank you for giving me the opportunity to discuss my interest and qualifications for the AVC Facilities Planning and Management position at UWM. I hope you have the opportunity to attend my upcoming presentation and allow me the opportunity to discuss my candidacy in more detail for this leadership position.

I am a native Texan, born and raised in Vernon, Texas with a population of less than 10,000. I have a Bachelor's Degree in Mechanical Engineering from Texas Tech University, a Master's Degree in Construction Management/Civil Engineering from University of Texas at Austin and a MBA Degree from Texas A&M University. I am also a proud Navy veteran having served as a US Navy Civil Engineer Corps (CEC) Officer during which time I was responsible for construction and base maintenance activities at numerous locations in the Pacific region. I am also a licensed professional engineer in the State of Texas and an IFMA Certified Facilities Manager.

I have held several positions within higher education, including at the University of Texas Health Science Center, San Antonio as their Construction and Maintenance Manager, Assistant Vice President for Facilities at the University of Texas at San Antonio and currently as the Associate Vice Chancellor/Associate Vice President for Facilities/Construction Management with the University of Houston.

I'm excited to be considered for this position and look forward to meeting many of you during my upcoming visit!

David Oliver, P.E. CFM
