**Annual
Awards**

And the nominees are ...

**Facilities Planning
& Management**
UNIVERSITY OF WISCONSIN-MADISON

Jim Cuccia

“Every time I've asked Jim to help me with a job, he makes the time, manages it within his other priorities, and finishes the work on schedule.”

– *Tim Kozina*

Angie Bollinger

“Angie and the design team worked on a project to upgrade the fire alarm system, came up with a creative solution for dealing with the existing ceilings.”

– *Robert Bucci*

Melissa Brooke

“Melissa is an approachable supervisor whom I never feel intimidated coming to for any inquiries.

She is great at delivering praise, constructive criticism, and overall instruction and direction!”

– *Sahira Rocillo*

Top Tantivivat

“Top is such a great resource for campus. I know we can count on him for creative solutions to make work healthier and safer for campus.”

- *Avelene Adler*

Molly Lenz

“Molly has consistently showed strong leadership skills.

Her professionalism and integrity to her work is inspiring.”

– *Katie*

Luis DelAngel

“Luis has been a fantastic lead for many years on first shift.

Truly an excellent team player and a great asset to the UW.”

- *Nicholas Schmidt*

Victoria Van Wey

“Victoria handles every single patient interaction with grace, patience, and kindness.

She puts the patients of the department first with the goal of providing exceptional customer service.”

- *Quin Koehl*

Patrick Scott

“Patrick made sure there was no lapse in ergonomics services to campus during my leave and the services provided were exceptional.”

- *Avelene Adler*

Alex Montgomery

“Alex offers exceptional customer service.

He adds to the safety culture on campus by providing an enjoyable experience for all his customers.”

- Jennifer Kobekso

Manny Tarin III

“Manny is an excellent example of meeting the overall UW-Madison goal in his work with the dairy plant. Manny represents the dedication to customer that we all strive to provide to our customers.”

- Craig Weisensel

Jose D Molina Ruano

“Jose has helped the PEOPLE office in lots of little ways that add up. He always brings a positive attitude and a creative solution to a problem”

Kat Muschlewski

Amy Rognsvoog

“Amy went above and beyond in supporting our efforts to prepare for the 3rd Quarter Chancellor's Sustainability Meeting.

She was able to set-up our office for a successful Chancellor update.”

- Alex Frank

Genet Abrha, Anthony Bradley, Candy Cong and Jefferson Hoffman

“These 4 exceptional people are the faces and voices of the University, representing diversity, reliability and friendliness in an environment that has broken others but has made the Four Aces what they are, Aces!”

- Kenneth Owens

**Pete Dahl, Ron Bierman, Maddie Wojcuik,
Carly Holschbach, Emily Olstad, Chad
Hellenbrand, Chris Strang, Jim Bogan, and
Lori Wilson**

“This group was able to coalesce to create a meaningful plan which was rapidly implemented to maintain the health and safety of the consumers of the complex water situation.”

- Joel Malak

Ben Weiler

“Ben participates in collaborative problem-solving and comes up with practical solutions for fume hood solutions throughout campus!”

- *Cody Mertens*

Tony Ring, Bill Minser, Jodi Roberts, Lisa Achenbach

“The team has worked, and reworked, and....reworked ideas until they were successful.

This task included evaluating hundreds of thousands of purchasing transactions over the past four fiscal years

Discovery along the way led to change in business processes for multiple teams within FP&M.”

Chemistry team of Custodians Crew #207

“This team of custodians are very helpful, on time and cheerful. We always have a friendly exchange of words and smiles.”

“We have many events in our building where I need their help, and I have never been told no.”

“I really respect them and enjoy our interactions and help.

- *Kristi Heming*

Chemistry team of Custodians Crew #207

....

- Kristi Heming

Jacy Whitehead and Brian Petri

“Their creativity, advocacy, and outreach has resulted in a much more engaging and relevant experience for employees, leads, and supervisors. Thank you, Jacy & Brian!”

- Alicia Meyer

Brad Bauman

“Brad always helps customer get what they need to complete projects that are ongoing and often difficult in nature. He comes up with creative solutions despite the boundaries of procurement rules and regulations.”

- Doreen Forslund

Tara Dobberfuhl

“With broad knowledge, engineer education and extended career service to the Biosafety Cabinet Team has allowed her to have a great historical perspective to allow great solutions to problems when they arise”

- Amy Kuehn

Bah Houssainatou and Chomor Dechen

“Bah and Chomor are wonderful custodians. They are more than the title, they are the CARETAKERS of Ag Hall. They help keep this historical building charming.”

- *Sandy Fowler*

Dan Drew

“Dan pays attention and follows what is going on during his shift with all his partners. Dan understands the big picture of customer service that we provide at FP&M.”

- John Schlitz

Tracker Dunn

“He has created a reputation for himself among our team as a respectful, approachable, and understanding person.”

- Christopher Holsen

**Celebrate
Your
Work**

Tim Netzloff, John Gausmann, Brent Skaggs, Mahal Duyan

“The service they provide takes a huge weight off my shoulders. They are a great group of individuals, and I am proud to call them colleagues.”

- Abraham Schrump

Kemple Garrett

“Kemple has worked for the company for seven years he rarely takes days off or calls in sick. He is responsible, hard-working and dependable”

- *Amber Ware*

Brad Endres

“Brad is always available to talk through any issues that arise. He has a uplifting personality and is always willing to lend a hand to get things done.”

- *Patrick Grubb*

Kris Gunderson

“Kris has gone above and beyond her job duties and has consistently set a positive example for professionalism and clear communication. We at NMRFAM are grateful for her continued efforts on our behalf”

– Alex Paterson

Zach Haas

“As a Finishing Trade Lead, he leads in a very positive way. He seems to always make time for his customers.”

- *Michael Webber*

Josh Hagenow

“Josh was also training someone on how to do the installment and was so professional. Kudos to Josh on his work and locksmithing expertise. Thank you Josh!

- *Kathy Hall*

Christopher Heidel

“Chris' job has many complex aspects, requiring not only technical knowledge but also excellent communication. Chris Heidel is a valuable EHS employee doing critical work on campus.”

- Sarah Swanson

Chad Hellenbrand

“there was a project at the iBio building that kept running into problems. Chad presented a very simple plan that would be much less costly and take much less time while still meeting all of the needs of the project. His idea was very much appreciated!”

– Christine Johnston

Brad Hering

“Brad consistently goes out of his way to make the HVAC in our building be up to snuff. Brad always does his best to get things solved even when they are not straight-forward.”

- *Ryan Keegan*

Ellie Hoffman

“From assisting with medical care to administrative duties, Ellie is always willing to take on various new tasks and assist those around her however she can.”

- Victoria Van Wey

Maribel Ibarra

“I am grateful for Maribel’s efforts, day in and day out. She is certainly an invaluable asset to our staff and a great teammate”

- *Ernesto Cruz*

Rhonda James

“Rhonda has created an inclusive planning process by bringing together a diverse set of stakeholder groups. She is a critical component of the success and responsiveness of Campus Planning & Landscape Architecture.”

- *Bryn Scriver*

HONOR ROLL
2023

Nominees

Thank you!

Perry Jones

“We are so grateful for Perry and his great Customer Service. Thank you Perry for always having our back”

- Kathy Hall

Cindy Mrozenski, Kirstin Selchow, Jim Kraus, David Pitzner

“I am nominating Cindy, Kristin, Jim, and Dave for their work on the Department of DPLA relocation project. I want to especially note their patience and dedication through all the challenges along the way.”

- - *Jesse Luckey Winters*

Jamie Kruger

“Jamie is an excellent coworker. He is always looking to help the others in the sign shop complete the jobs effectively with high quality which is a true asset to the sign shop.”

- Andrew Niedermeier

Cody Mertens

“He has been very patient with the speed bumps that were encountered and continued to work to improve the compliance process”

- *Robyne Gunderson*

Paul Phommassack

“Paul responds quickly and is always willing to explain what the issue is if we have questions. He's quick to follow up and always shows a positive attitude.”

- Kim Brunner

Physical Plant Customer Service

“The Customer Service team consistently provide great service even when we at the Police Dispatch Center have to repeatedly call them for various events within short periods of time!”

- *UWPD Dispatch*

Ankit Rajbhandari

“Ankit’s tackled many such projects in his nearly 2 years working with us, but he’s also completely taken over and owned a few processes that used to fall through the cracks.”

- Isaac Knoflicek

Matt Wornson

“Matt mitigates problems by quickly pulling information together and notifying all pertinent parties, which makes life so much easier for all involved. He is truly an asset to all departments, not just FP&M.” -

- Sue Statz

Joe Walters

“Joe's communication ensured others took action when needed to stay on track. He is a caring individual, who takes his role seriously and does everything he can for the customer.”

- Rich Gassen

Daniel Volk

“Dan spent most of the last year filling two of the electrical engineering positions on campus. I am grateful for Dan's help and constant willingness to explain answers and ideas to me

- Christine Johnston

Lisa Russell

“Lisa is a dependable, well-rounded individual who we are very happy to have on our team. Her efforts are very much behind the scenes but our program would not run as smoothly and efficiently as it does without her.”

- - *Emily Muzzillo*

Ashraf Sadek

“Ash's leadership and strong commitment has allowed my personal success as well as my fellow teammates. His fierce passion for the construction industry and how it works has contributed greatly to the firming of our processes.”

- *Kristin A Gunderson*

Jeremy Mangano

“Jeremy has done an excellent job protecting this valuable work with mechanical components at the Greenhouse. His diligent, swift, effective work enables our researchers to continue what they're doing.”

- John Schlitz

Tim McNeil

“Tim has been instrumental in my training and an absolute pleasure to work with. We have hand many new employees come onto our team over the year and tim has taken time to get to know each one.”

- David Skuban

Tony McGrath

“Tony McGrath has always provided superior customer service with the BioSafety Cabinet (BSC) program. This area of work/need often requires help and Tony is always there to help.”

- Paula Schumann

Kayla Ruplinger

“Kayla worked tirelessly to build the FP&M Position Specific Training tool which took hours of collaboration, data capture and structure, and independent learning.”

- *Alicia Meyer*
